To access the Qual data, click the button.

Download the KII data by clicking on download button.

Please ensure that the names in the Sector, Scheme, and State columns exactly match the spellings in the attached file. Any typo errors in these columns will result in the data not being accounted for the completed count.

After clicking the download button, an Excel file will be downloaded as shown below.

To modify and upload the KII data, please use this same Excel file as a template.
